3rd Annual BMO Nesbitt Burns OTMH Regatta

A special thank you to BMO Nesbitt Burns, the presenting sponsor of the annual OTMH Regatta, held on July 26, 2008. With the support of generous sponsors and participants, the Regatta raised more than \$29,000. Proceeds from the event will help the Oakville Hospital Foundation purchase vital medical equipment for our community hospital.

Thank you to the race participants, our volunteer planning committee, the Bronte Harbour Yacht Club and all of the community sponsors for their commitment to the health of our community.

A Tradition of Elegance

Since 1992, the OTMH Candlelight Ball has raised more than \$2,800,000 in support of Oakville-Trafalgar Memorial Hospital. Funds raised from the event have been used to purchase essential medical equipment, so that the Hospital can continue to deliver the highest quality healthcare services to the community, close to home.

Guests mingle with friends, enjoy a gourmet meal and fine wine, bid on luxurious auction items, dance the night away, and, most importantly, make a difference to the health of our community. All proceeds from this year's Candlelight Ball will be directed towards the purchase of essential medical equipment for the Emergency Department at the OTMH.

This 2008 Gala will take place on Saturday, November 1, 2008 at the Burlington Convention Centre. For more information please visit www.otmh Candlelightball.com.

Thank you to the continued support of our Co-Presenting Sponsors, Barrington's Fine Outerwear and Murrion's Cabintree.

Minor Oaks Hockey Association

Thank you to the Minor Oaks Hockey Association, hosts of the Atom AAA Championship Hockey Tournament! Fundraising activities held throughout the tournament this past Spring helped to raise more than \$6,000 for OTMH. Thank you for your continued support as a proud Community Partner.
