Are to be
Remembered

The Maternal Child Program

The Maternal Child Program of OTMH has a rich history...and your family is a part of it.

For the rest of your life, you'll remember the harried drive to the hospital, the hand the nurse gave you for support and the amazing life-altering moment when you welcomed a new member to your family.

From isolettes and computerized fetal monitoring equipment, to baby bonnets and breastfeeding clinic, we support each and every family that enters our doors.

We are proud to celebrate 60 years and grateful for all the donations which supported the renovation to the special care nursery, the patient rooms and the addition of a new labour and delivery room. These changes have improved privacy, infection prevention and control, and provided space conducive to today's standard of care. All new equipment will be utilized at OTMH and then, will be moved to the new Oakville Hospital.

On behalf of the OTMH staff, patients and their families, thank you for your investment in the health of our community.

If at any time you wish to be removed from our list, simply contact our fundraising office at 905.338.4642, via email at ohf@haltonhealthcare.on.ca or by checking the box below:

- Do not mail information

Care, Compassion and Competency...
Living the Halton Healthcare Values

celebrate
your baby's birth with a star

Oakville-Trafalgar Memorial Hospital

Care, Compassion & Competency...

Living the Halton Healthcare Values

The physicians, midwives, and nursing staff in the Maternal Child Program have the privilege of providing care for approximately 2,500 new mothers, infants and more than 900 paediatric patients and their families.

The Maternal Child Program at OTMH has a rich history and a bright and exciting future as we plan our place in the state of the art new Oakville Hospital. As part of our proud history, all baby wall stars-past, current and future, will be moved and become an integral part of the new program.

For a donation of \$100 or more, you can mark this joyous occasion with a star bearing your baby's name and birth date to be placed in our magical sky. It's a great way for beaming grandparents, aunts, uncles and friends to show their delight at the arrival of a precious baby.

*Living the Halton Healthcare Values...
Care, Compassion & Competency*

The birth of a baby is a very special time – one of many new hopes and dreams – and the Maternal Child Program at Halton Healthcare's (HHS) Oakville-Trafalgar Memorial Hospital (OTMH) is proud to be part of your precious memories.

What better way to commemorate the birth of your baby than "lighting" a star on our **Sky of Stars Baby Wall** – a whimsical scene with clouds, the Man in the Moon and brilliant stars located in the Maternal Child Unit. Our **Sky of Stars** also offers new mothers, pediatric patients and families a fun diversion from hospitalization.

An official income tax receipt will be issued and all proceeds raised will be directed towards to Maternal Child Program including the Breast Feeding Clinic, Special Care Nursery, Paediatric Care, Labour-Birth-Recovery Care, Post Partum and Prenatal Clinic.

Please visit our website to order your star today:
